When visiting this area:

- Make noise while hiking

- Leash dogs

If you see a bear:

- Make enough noise so the bear is aware of your presence
- Never approach a bear

If the bear does not leave:

- Back away slowly

If the bear approaches be offensive:

- Make more noise, wave your arms, and throw objects at the bear
- Black bears rarely attack humans. If you are attacked, do not play dead. Fight back with anything available.
