 Connector Trails

NOTE: Trails may be periodically closed due to their conditions or to protect plants and wildlife. Restrooms and drinking water are not available at the Preserve. Seasonal parking areas are not maintained during the winter.

Nature Preserve Rules

- Please help us protect our natural resources and provide a safe recreational environment:
- Open daily sunrise to sunset.
 - Please be respectful of all preserve users.
 - Stay on designated trails.
 - Foraging prohibited. Do not remove or disturb plants, animals, or materials.
 - Drones are prohibited.
 - Fires are prohibited (except in provided grills and fire rings).
 - Motorized vehicles, including Other Power-Driven Mobility Devices, are prohibited on trails.
 - Biking and horseback riding are restricted to designated trails.
 - Hunting and camping are prohibited.
 - Dogs must be leashed at all times and all pet waste bagged and removed from the Preserve.
 - Do not litter. Carry out what you carry in.
 - Organized groups of 15 or more people require a group use permit.
 - Commercial use is prohibited.
